

## **ONE SPONSORSHIP FULFILLING FAMILY EDUCATION NEEDS**

### **Case study of (IND\_009 Sahana Tandur)**

Sahana Tandur an 11 year old modest girl is very studious and ambitious, looking forward to achieve her goal in life with the wonderful journey along with the Jehovah Jireh Foundation. She is residing with her maternal grandparents ,mother & brother. She is a very bright student in the school. She has scored more than 80% of marks in every subject. Sahana is so insightful that she has participated in various competitions held at school level and received many certificates and medals. She has also involved herself in many co-curricular activities of the school and has a hobby of making sketches in her leisure time. Being the youngest child but very young says "I love my mother a lot and I want to take care of her in every aspect of her life and be her support all the time. I will also study very well and become a

doctor, later after achieving my goal take care of my mother and brother and Take the responsibility of the house and look after them".

Being young girl has the wonderful vision regarding her future responsibilities. The condition of her mother and troubles she faced has made Sahana is very strong and bold. This talented girl has a clear vision regarding her future. Her aspiration to become a doctor is to serve the needy people. Before her life was not as normal as it is now. Her mother took lot of trouble in raising her two children . Jyothi mother of Sahana faced problems in

providing basic needs for her children. Though her parents were helping her it was not sufficient for education purpose. She worked as maid which paid her 1000 rupees which barely helped her.

Now this salary could buy grocery for the house and other expenses were looked after still she was finding it very difficult to save money for her children's education. She came to know from one of the neighbor about the orphan sponsorship program of Jehovah Jireh Foundation. Her child started receiving the sponsorship after the assessment done.

At this stage, the life of Sahana started noticing some changes like getting good education in best school of the city. Jyothi was unable to manage with the school fees of the children. Sahana is able to go for tuition Sahana mother can pay her tuition fees, school uniforms, books she can buy and most importantly. Jyothi says "I know the importance of the education in one's life we are respected and treated well by the society only if we are educated. So I want my children to be educated,. I would like to thank JJF and its donors that in 'One's sponsorship it's fulfilling the need of education of my daughter ".

I'm glad that my daughter's future is in safe hands. I remember them in my prayer and ask God almighty to grant good health and grace in this wonderful work they are doing. They have helped me and my family at the time of very worse condition of my life. They gave me new hope of having a better future with my kids.

Sahana too express her happiness and said "I really thank my dear donors of JJF that they have been constantly supporting me for my education I am studying very well and I assure you I will score even more marks in forth coming examination. Whole heartedly I want to thank you all because in the time of need when my mother was struggling to raise me and my brother you people came forward and vanished most of our problems and worries. Thank You Jehovah Jireh Foundation and its donors, Stay blessed".
