Her mother also expects her to be more studious.

Now they are having better life just because of Jehovah Jireh Foundation. Before an year the life of Keerthi and her family was not as it is now. It was 2 years ago that Chennapa father of Keerthi was hospitalized for about 6-7 months. His occupation was truck driver. He was alcoholic due to which his liver was damaged very badly. At that time Keerthi's mother Anasuya was home maker. Anasuya's mother and her sister helped her with medical

expenses. The situation of Anasuya and her children was getting worse day by day. One day due to improper treatment he breathed his last in the hospital. Anasuya and her daughter were left all alone in a huge world. Later after three days of her husband's death her mother brought her to her house from then Anasuya and her daughter are staying with her parents.

Keerthi's uncle help them to certain extent but at the end of the day it is the responsibility of the mother to care of her children and raise them. Anasuya went in search of work and finally working in field as she is illiterate and there is no question of getting a better job for her. From past 5 years she is in the same work and earns 1000/- per month which is sufficient for having a normal life. When this situation was getting worse day by day she came to know about the sponsorship program from Jehovah Jireh Foundation through her neighbors. She visited the office Jehovah Jireh Foundation for the assistance and
